Flat Breads Around the World

Triangle group

People all over the world bake bread. Some bread is flat.

In Mexico, many people eat a tortilla. It is thin and round. You can add beans or cheese and fold it up.

In Ethiopia, people eat injera. It is soft and has tiny holes. It works like a spoon. You tear a bit and use it to scoop up food.

In India, many people eat naan. It is warm and puffy. Each place has its own bread. All of them are flat and good to eat.

Name: _____ Date: _____

Flat Breads Around the World

Square group

People in every part of the world bake bread, and some of that bread is round and flat.

In Mexico, many people eat tortillas, which are thin and round. A tortilla can be filled with beans or cheese and then folded up.

In Ethiopia, people eat a soft bread called injera that is covered with tiny holes. It works like a spoon, because you tear off a piece and use it to scoop up your food.

In India, many people enjoy naan, which is warm and puffy. Every place has its own special bread, yet all of these breads are flat and delicious.

Questions

1. What thin, round bread do many people in Mexico eat?

_____

_____

2. What does injera look and feel like?

_____

_____

3. How does injera work like a spoon?

_____

_____

4. In which country do many people enjoy naan?

_____

_____

5. What do all of these breads have in common?

_____

_____
