Make a Fruit Salad in Five Steps

Circle group

A fruit salad is easy to make.

First, wash your hands with soap. Clean hands keep food safe.

Next, rinse the fruit. Try grapes, berries and an orange.

Then ask a grown-up to cut the big pieces. A sharp knife is not for kids.

Put the fruit in a bowl. Last, stir it with a spoon.

Now share it with a friend!

Make a Fruit Salad in Five Steps

Square group

A fruit salad is a simple and tasty thing to make. Here are the steps to follow.

First, wash your hands carefully with soap and warm water, because clean hands help keep food safe to eat.

Second, rinse the fruit under cool water. Grapes, berries and an orange make a good mix.

Third, ask a grown-up to cut up the large pieces, since a sharp knife is not for kids.

Fourth, put all of the fruit together in a big bowl. Finally, stir the fruit gently with a spoon.

Your fruit salad is finished, so share it with a friend!
